

Directions TO the Ohio 4-H Center using Rt. 315 during road construction:

Take Rt. 315 in Columbus (reached via 70, 71, 270 or 670 West)

***If coming from points West, note that you can no longer reach 315 North via 670 East. Instead, stay on 70 East to 315 North.**

Allow yourself about 15 extra minutes to handle the 45 mph speed limit and the reduced number of lanes on 315.

From the North: Turn Left at end of ramp onto Lane Ave. and proceed to **2nd** light.

From the South: Turn Right at end of ramp onto Lane and proceed to the **1st** light.

Both: Turn Left at that light onto Fred Taylor Dr. The 4-H Center will be the **1st** (and only) building on your Left. Pull into driveway just *past* the building and proceed to parking lot in back.
